- The Awakened Wisdom Breakthrough Dynamics Coaching Program is a 5-Day experiential journey into the dynamics of professional coaching.
- It is a unique in-depth experiential coaching program for professionals who are ready to positively impact and optimize the coaching experience in their client relationships. It is designed for coaches willing to take their practice to the next level.
- Both beginning and highly experienced coaches must face the challenge of supporting their clients in acquiring a clear understanding of what is happening in their personal and professional life so that they can make the right choices to move forward in a good way.

### OUTCOMES AND FOCUS OF THE PROGRAM

- Participants will learn practical tools and concepts that can be seamlessly integrated into their own coaching style and effectively applied in any coaching practice or area of focus.
- These concepts and techniques increase the desired results for your clients and are as relevant for Relationship coaching as they are for Corporate, Personal, Executive, Wellbeing or any coaching specialty.
- Throughout the interactive 5-day program, there will be hands-on opportunities to practice the concepts and reflect on the results, and to share your own thoughts, ideas and successes.
- Participants will grow to a level of proficiency from where they will be able to guide their clients to learn the power of using the Three Intelligences and the Wisdom Field.
- Interactive experiential exercises throughout the program will provide you with the opportunity to practice perfect and integrate these concepts into your own coaching style and practice.
